Experience

Marketing Manager

Rocket Doge 2021-2022

It's a dynamic platform that brings together the tangible and the digital in a way never seen before. I am the Marketing Manager here. Manage the big community. Help to promote their project and increase the community growth with my marketing strategy. Achieved a 30% increase in sales through effective marketing and outreach. Implemented cost-saving measures resulting in a 7% reduction in operating expenses.

Community Moderator

Openfabric AI

This was cryptocurrency token. I managed the community very delightfully as a Moderator. Managed the community discussions to ensure compliance with the rules, deal with problematic users, and help to keep my company informed of the overall trend of comments and conversations that community members are having. Managed the members and took effective actions to serve them well.

Community Admin

Avive World

Managed cryptocurrency token community platforms, enforced guidelines, facilitated discussions, organized events, and analyzed metrics to ensure a positive, engaging, and respectful environment for token holders, promoting active participation and fostering strong relationships within the community.
